Course Description:

The Graduate Aeronautical Engineering program is a fully accredited program at AFIT leading to a Master of Science in Aeronautical Engineering. The program is designed for students from all branches of the U.S. military services as well as students from Allied foreign military services, Most students, Air Force and Navy quota students and Air Force Test Pilot (AFTPS)

students, enter in September. Objectives include: Produce graduates who are technically well prepared for their subsequent duties and responsibilities as aeronautical engineers in DoD organizations. Such positions may range from requiring very detailed and advanced level work in a specific discipline to broad responsibilities requiring interaction among many disciplines and technical organizations.
