Activities
Welcome to the International Military Student Office and the United States Army Maneuver Center of Excellence, Fort Benning, GA. All U.S. Armor and Infantrymen train at Fort Benning, GA (FBGA). Additionally, MCoE conducts many non-Armor/Infantry courses for all soldiers. ATTENTION: Before sending IMS to any course on Fort Benning, all Security cooperation officers (SCO) should become familiar with Army Regulations and ensure that all IMS are required to abide by US Army Regulations in while training, per JSCEI, AR 12-15. This can be found in chapter 10 of the JSCEI. This includes following all hygienic requirements, including clean shaves and haircuts. Some commands have placed additional written policies in addition to the Army Regulations. For example, AR 670-1 authorizes a mustache, trimmed to certain requirements. The US Army Airborne School has written policies, and no exception will be granted, that Soldiers (US or Int'l, conventional or special operators) may have any facial hair, including mustaches. For SCOs or IMS concerned about religious practices, please refer to AR 600-20, para. 5-6 when briefing your IMS. The US Army has many different faiths and beliefs being practiced, but is all regulated by AR 600-20 and require that all Soldiers training with the US Army adhere to AR 670-1 requirements as well. IMSO is the International Military Student Office (IMSO) for the MCoE.
